

Dear Community Partners,

Karabi is currently seeking interest from local community members and or professionals working in the Parramatta, Holroyd & Blacktown Local government areas who are engaged with children, young people, families, the elderly and or people with a disability who have an understanding of the needs and issues faced by our local communities to **join the Karabi Management Committee**

The committee currently meets on the 2nd Wednesday of every month at 5pm for approximately 1.5 hours.

Karabi Community & Development Services Inc. is a non-profit organisation and is concerned mainly with local issues, which commenced operating in 1987. Karabi works within the Parramatta/ Holroyd LGA's and part of Blacktown LGA. Karabi operates from three premises, the Wentworthville office, Constitution Hill office and Seven Hills/Toongabbie office.

Working from the three locations and covering 3 LGA's, Karabi runs specific projects in partnership with the local and regional government and non-government organisations. These projects target a whole range of groups such as frail aged, people with a disability, young people, children, indigenous youth, and particular attention to disadvantaged groups such as and culturally and linguistically diverse background communities. Karabi, like other NGO's in the area, has an important role to play in improving the living conditions of the residents, and promoting community participation and harmony.
